

CHARITABLE GIFT ANNUITIES

A Gift that Gives Back

Would you like to support Cooper Union but are hesitant to do so because of the current market uncertainties? Perhaps you are concerned about being able to meet your future needs. Others donors who feel the same way have discovered the joy of supporting Cooper Union through a charitable gift annuity.

A charitable gift annuity is a contract between you and Cooper Union that provides advantages for both. You can make a gift and receive immediate financial benefits. By funding a charitable gift annuity you will provide valuable support to Cooper Union and receive a charitable income tax deduction and fixed payments for your lifetime or the lifetime of a loved one.

Charitable gift annuities may be funded with cash, securities or property. The payout rate on a charitable gift annuity is a fixed rate based on the age of the donor at the time the gift is made. Payments may be made to one or two income beneficiaries.

“ In the course of a century there will, of course be a great number of graduates of the Cooper Union and the day will surely come when they, these graduates, will rally round this institution, and if the plans I have formed can be executed in no other way they will see they are carried out. ”

— Peter Cooper

Benefits Include:

- **Guaranteed fixed payments for life** The annuitants you name will receive fixed annual payments for life, backed by the general resources of Cooper Union. With attractive annuity rates, your cash flow may increase from what you currently receive from your asset.

- **Favorable capital gains tax treatment** If you fund the annuity with a long term appreciated securities (ones you have held for more than one year), you will incur tax on only part of the gain.
